Dear Eddie:

Thank you for your gracious acceptance of membership on the Board of Directors of the Puerto Rican Bar Association of New Jersey, Inc. We are positive that your commitment will prove invaluable to this fledgling organization in its goal of service to our community, now and in the years ahead.

The first item on our agenda, now that we are properly constituted, is to introduce ourselves to our potential constituency. Therefore, we have organized a Cocktail Sip to be held on Friday, November 21, 6:30 p.m. at the Seton Hall Law Center, Faculty Library and Lounge, 1095 Raymond Boulevard, Newark, New Jersey. Our guest speaker will be Joseph H. Rodriguez, Esq., past president of the New Jersey State Bar Association.

We hope you will be able to join us as we consider this a very significant event in our community's history. We are also certain that with your interest and energy, it will be easier to attain our goals.

Thank you again for your cooperation. With the warmest personal regards, I remain,

Sincerely yours,

Margarita Echevarria
